Development Contributions (clause 4)

1. Development Contributions

- (a) For the purposes of this Schedule, Net Developable Area, in relation to a part of the Land means the net developable area of that part as defined and determined in accordance with Schedule 6.
- (b) The Developer undertakes to provide the Development Contribution in the manner set out in the table below:

Development Contribution	Value	Timing
Contribution Amount - Cash contribution towards designated State public Infrastructure	\$72,440 per hectare of Net Developable Area for any part of the Land to which a Subdivision Certificate application relates.	Pursuant to clause 3 of this Schedule 4

- (c) The Minister and Developer acknowledge and agree that the sum of the Contribution Amounts form the Development Contribution under this deed.

2. Calculation of the value of a Contribution Amount

- (a) Each Contribution Amount will be an amount equal to the sum represented by "X" in the following formula:

$$X = N \times \$72,440$$

"N" means the number of hectares comprised in the Net Developable Area of the part of Land to which a Subdivision Certificate application relates.

- (b) On the CPI Adjustment Date, each Contribution Amount is to be adjusted by multiplying the Contribution Amount payable (as previously adjusted in accordance with this clause, where relevant) by an amount equal to the Current CPI divided by the Base CPI.

- (b) The Developer must provide the Minister with not less than 10 Business Days' written notice of its intention to lodge an application for the relevant Subdivision Certificate.
